Detailed instructions on how to get there on www.nlhsc.org.uk

When?: A new course between April and October will run on Wed or Thu evenings. There will be a total of 8 sessions

You need to be able to commit to all the sessions and ensure that you have a parent or guardian who can bring you to the sailing club .

What will you learn? At the end of the session you will be able to confidently sail a dinghy or windsurf. You should reach at least RYA Level 1 certificate and maybe even RYA Level 2.

What next?: For those wishing to stay on and sail or windsurf you can join the regular Wednesday or Thursday evening sessions. 10 young people wishing to continue in the sport will have the chance to apply for a free junior membership at NLHSC. To be able to apply for these memberships you will have to attend at least 6 out of the 8 sessions. In the past we have had youngsters continuing in the sport and becoming volunteer instructors at the club.

As this project is run by volunteer instructors we would appreciate a commitment from parents to team up and take it in turns to be present on shore to help with supervision of youngsters when off the water.

To register for this course please complete the online application form, we will inform you as we have numbers for a group to start.
